Dairy Entrepreneurship (AGR/Q4101)

About Us

The College of Veterinary sciences & Animal Husbandry, one of the constituent colleges of the CAU was established through the promulgation of an ordinance (No. M-2 of 1995; dated 20th February 1995) and became functional with the admission of first batch of students to B.V.Sc. & A.H. degree course in the year 1997.

Dairy Farmer/ Entrepreneur (AGR/Q4101)

“Dairy Farmer / Entrepreneur” is able to efficiently start and manage a dairy farm, construct and maintain shed for cattle depending upon resources availability, prepare feed ration and give recommended feed and water for livestock, considering feed requirement and feed nutrient composition, maintain health of livestock along with productivity, vaccination of cattle and effectively marketing of dairy products, ensure clean and hygienic management of dairy farm.

After successful completion of this training programme, participants will be able to start and maintain dairy farm scientifically and develop ability to manage feeding schedule as per category of livestock and follow clean milk production activities. Employment generation opportunities in big dairy units.
